Sunday 3rd May 2020

Kempsey Riverside Markets

This small local market began in July 2014 and this has now grown into a thriving event. The Kempsey Riverside Market now boasts more than 120 regular stall holders and still maintains its focus on handmade, homegrown, vintage and high-quality products.

Set in the beautiful Riverside Park on the shores of the Macleay River in the centre of Kempsey. Visitors can sample home grown food, browse or buy a huge range of quality products and enjoy the local music played each month.

Slim Dusty Centre

The Slim Dusty Museum exhibition features objects and images from the Kirkpatrick family's own extensive archive, as well as contributions from fans and friends from all over the world.

Visually rich and astonishingly varied, the display provides a look into Slim's first steps into show business, the early years of adventures with Joy and their mates touring the towns and villages of Australia's outback and the glory days of life on the showgrounds of Australia with artistes and performers of vaudevillian delights.
