

Return Transport - Bimbadgen a-ha & Rick Astley

With Portbus

Saturday 29th February 2020

Entertainment and Frontier Touring are excited to announce the return of pop icons **a-ha** for their first Australian tour in 34 years next February and March including Bimbadgen, Hunter Valley on Saturday February 29. They'll be joined by very special guest **Rick Astley**.

The Norwegian trio, who dominated pop charts worldwide during the '80s, are celebrating the 35th anniversary of their hugely influential debut album *Hunting High And Low* and will be performing the classic album in full as well as other favourites from across their career. Selling more than 11 million copies worldwide, it includes the unforgettable *Take On Me*, which reached number one on the Australian charts, as well as follow-up hits *The Sun Always Shines On TV*, *Train Of Thought* and the title track.

"Australia was the country we played our first ever live concerts and was our first brush with worldwide fame. It was a thrilling adventure to be there on the opposite side of the world and it's a thrill to return in 2020 – finally we will be back where it all started!"
