## ***Mt George Village Markets***

The Mount George Village Markets are held in the upper Manning Valley bi-monthly on the 4th Saturday of the month.

Here you will find the famous Mount George oranges and the freshest home grown produce and local cakes, slices, jams and preserves in the area. Meet the growers, producers and craftspeople. We will take a scenic drive out to a beautiful little part of the world and experience the community market, where you will also find vintage clothing and handmade crafts. Intimate markets in a beautiful rural setting.

## ***Tinonee Orchids***

Ray and Lorraine Clement established Tinonee Orchid Nursery in 1984 when they moved to Tinonee from Sydney. The nursery commenced on a very small scale and slowly grew till, in 1987, it was opened to visitors on Saturdays.

Due to a steady increase in size, and in demand, the nursery was opened to visitors on Thursday, Friday and Saturday in 1989. In 1990 Ray commenced working full time in the nursery and in 1992 the Nursery was opened six days per week and a full-time employee appointed.

The Nursery now employs 5 people on a permanent basis, 2 full time and 3 permanent part time.
