

## Charlie Landsborough

*With Port Bus to LUSC*

**Tuesday 17<sup>th</sup> January 2020**

### - Farewell Australia Tour -

#### Featuring special guest Terry Gordon.

Charlie and his five-piece band play to sell-out audiences and are well known for keeping concertgoers enthralled with his heartfelt and telling lyrics and his very human anecdotes.

His music ranges from inspirational to country, from ballad to anthem, and he truly is as entertaining on stage as he is melodic. His own personal song writing blends easy on the ear, folk, country, inspirational, ballads and blues with a strong and often personal lyric content. This mixed with his wit and repartee has led to a winning formula, which had made an impact on so many professionals and fans alike.

He has a following in Australia, where he has toured successfully five times in the past decade, brought out by his good friend, Terry Gordon O.A.M.

One song was to transform his life. Charlie wrote 'What Colour Is the Wind,' which tells the story of a young blind child's attempts to envision the world.
