

# Bastille Day

*With Port Bus to Little Fish Cafe*

**Tuesday 13<sup>th</sup> July 2020**

## **Tour Summary:**

Bastille Day marks the turning point of the French Revolution and symbolizes a growth of power amongst the common people.

This led to the full recognition of democracy and liberty in the rights of law through the Declaration of Rights of Man and the initiation of a constitutional monarchy.

Every year, French citizens come together to celebrate Bastille Day, a day to rejoice in the successes and culture of France. The day is a celebration of patriotism and the values of 'liberty, equality and fraternity', rather than the battle itself.
