with Port Bus

Friday 27th November 2020

Located just off the Pacific Highway, 20 minutes north of Taree, Cattai Wetlands has been described as a 'hidden gem in the Valley'.

Cattai Wetlands provide a sanctuary for over 180 species of birds, kangaroos, wallabies, and regularly spotted goannas. We will make our way along many of the walking tracks, bird watching, have morning tea & just relax and enjoy the scenery.

Do not forget to pack the Aeroguard as the mozzies love Cattai Wetlands just as much as we do!

Itinerary: Pickups will commence by 09:00. Depart IKew Visitor Information Centre @10:00. Arriving at the Cattai Wetlands around 10:30 where we will have morning tea under the new BBQ area.
