

Urzila Carlson

with Port Bus to Civic Theatre, Newcastle

Saturday 15th May 2021

South African-New Zealander Urzila Carlson is a Token African. She is also a multi award-winning comedian, the 2019 Melbourne International Comedy Festival's highest ticket-seller, and a household name across two continents.

Africans have become the new must have accessory. Okay, not really, but everyone knows one, works with one or has a sister that is dating one of us. What makes you African? Is it enough that you are born there? Do you need to be able to dance? Why does being South African not register as African in most places? You are thinking about it right, now are not you? Questioning it. Africa changes people.

People who visit to game reserves wear ranger outfits... why is that? We do not wear scrubs when going to the doctor... Africa puts things in perspective, this show will help you find that focus, delivered to you by a Token African.

Itinerary: Pickups will commence by 15:30. Approximate arrival at Civic Theatre, Newcastle will be 18:45. The show commences at 19:30. Once the show finishes please make your way to the bus and we will load & GO!
