

Pippin

with Port Bus to Sydney Lyric Theatre

Thursday 28th & Friday 29th January 2021

Tour Summary:

Full of extraordinary acrobatics, wondrous magical feats and soaring songs from Stephen Schwartz (the composer of WICKED and GODSPELL), PIPPIN has been lovingly crafted to become Broadway's high-flying, death-defying musical. This unforgettable new production is the winner of four Tony Awards including Best Musical Revival and was hailed as "Astonishing. A PIPPIN for the 21st century. Dazzling and awe-inspiring." by Ben Brantley of The New York Times. It is unlike anything Australia has seen on stage and now Port Bus clients can experience PIPPIN!

And that was just Day 1. The Hunter Regional Botanical Gardens over an area of more than 130 hectares, much of which has been preserved as natural bushland. The Gardens are managed, maintained, and developed by a non-profit company of volunteers. Many of the plants are suitable for the home garden, and the landscaping is an inspiration for the keen gardener. Expert personal advice is available on plantings and propagation, and a large selection of plants and herbs can be purchased at low prices from our plant stall.
