

Springtime in The Snowies

Saturday 9th to Saturday 16th October 2021

The Snowy Mountains, known informally as "The Snowies", is an IBRA subregion and the highest mountain range on the continent of mainland Australia. It contains the Australian mainland's highest mountain, Mount Kosciuszko, which reaches to a height of 2,228 m above sea level. 'Wikipedia'

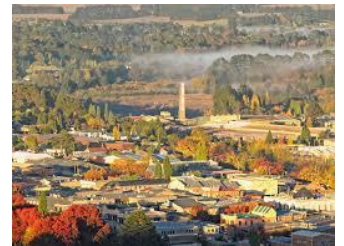

Nestled between the lake and mountains, Jindabyne is the perfect base for Snowy Mountain Adventure. Rolling mountains of green are laced with streams and rivers filled to the brim after the melt.
