Alex Lloyd is one of Australia's most acclaimed songwriters and has won the ARIA Award for Best Male Artist on three occasions. He is best known for his four 'top ten' albums, Black the Sun, Watching Angels Mend, Distant Light and Alex Lloyd; however, his later albums Good in the Face of a Stranger, Urban Wilderness and Acoustica also showcase his enormous talent as a song writer and performer. Alex's hit song Amazing took out Triple J's Hottest 100 in 2002. He is also remembered for great hits like Coming Home, Black The Sun, My Way Home and Hello To The End.
