

September Long Lunch

with Port Bus to Ellenborough Falls

Wednesday 8th September 2021

Tour Summary:

Our first stop in the beautiful Hinterlands is the Byabarra Café & Bar. Owned and run by locals Alan & Kerrin we will receive a warm country welcome as we enjoy our Devonshire Tea with spectacular views.

Larrikins Lock-up Garden Centre and Woodcraft Gift Centre is located on a stunning one-acre site along the edge of the peaceful Thone River in the Comboyne village. The property is home to the 1905 Comboyne historic slab timber Gaol and to Comboyne's first cedar cottage Police Station. The Garden Centre sells plants, shrubs, trees, and other garden items while the Woodcraft and Gift Centre has unique hand-made woodcraft gifts made from salvaged timber in the region. We will then take in a tour of the 1890 built Roto House!

At 200 metres, Ellenborough Falls is the tallest single drop waterfall in New South Wales and amongst the tallest in the southern hemisphere. There are four ways to experience Ellenborough Falls depending on your level. Opt 1 & 2: there are two viewing platforms in the car park, both an east walk. Opt 3: A 10-minute walk down the timbered walkway to The Knoll. Opt 4: Utterly worth your effort. Descend 641 steps to the base of the falls.
