*Port Bus to Civic Theatre, Newcastle*

**Sunday 26<sup>th</sup> September 2021**

## **Tour Summary:**

This tour will bring together great friends who write incredible songs, love to share a story and have a laugh. With 12 award winning albums under her belt since the release of The Captain in 1999, Kasey Chambers brilliant song writing, and world-class performance have earned her a rightful position on the global country artist stage. Often described as a genre-defying singer and songwriter, she wears the honesty of country music on her sleeve and has become one of the most popular and acclaimed artists of her generation in Australia while winning a devoted cult following in the rest of the world. In 2018 Kasey's exceptional career was honoured by being the youngest female ever to be inducted into the ARIA Hall of Fame. Once you are in your seats, after the house lights dim, and the overture begins- all will be revealed.
