

Choir Boys

with Port Bus to Laurieton United Services Club

Friday 6th August 2021

Tour Summary:

Choirboys are renowned for a great live show, it's not just the music it's the atmosphere they bring to the stage. The grafting, sweating, pulverizing, pounding, screaming - doing what they do best. Entertaining an audience by spilling their hearts and souls onto the stage. You just don't get much more Rock 'n Roll than that.

For the past 18 months the band have been recording a series of songs by influential artists. Starting with a 6 pack of Creedence Clearwater Revival moving through Tom Petty and now onto Bruce Springsteen the band are on the trail to a music revelation. A reinterpretation of some classic songs into the Australian pub rock format. Possibly the way they should always have been done.
