

John Waters

The John Lennon Songbook

with Port Bus to Laurieton United Services Club

Friday 20th August 2021

Tour Summary:

Celebrating the 50th anniversary since the release of IMAGINE - the whole album will be performed live by John Waters and this band - a band that has toured the world performing the songs of John Lennon to great acclaim. Relive your 90's

John Waters says: "The 'Glass Onion' show is a different and rather unique category of 'theatrical' style. It is always exciting to do. But this 'Songbook' is a band gig, and a more intimate style of bringing these great songs to people. We do it in our own way, and it gives us a personal contact with our audience, which is such a happy vibe.
