BARNES STORM plays these songs with utmost highest regard and respect, allowing audiences to relive their memories including the younger generation who grew up listening to their parents' music. Iconic songs Driving Wheels, Lay Down Your Guns, Flame Trees, Khe Sanh and of course Working-Class Man, to name a few, along with some of his latest songs, engage the audience to sing along.

Barnes Storm have captured the sound, the amazing energy and presentation of Jimmy's on-stage performances that is to be seen and heard, to be believed. Frontman Scott Bedford emulates Jimmy with accuracy and with total respect, so much that it has been quoted "if you close your eyes, you will think you are listening to Jimmy himself."
