

Around Our Regions

with Port Bus to Urunga

Friday 17th June 2022

Tour Summary:

All Aboard Port Bus for our June Around Our Regions to the Urunga area.

Urunga Boardwalk

The Urunga boardwalk was built in 1988 and is some 2 KM long out to the ocean beach. Rugged rock breakwater lines the edges to the sea next to the boardwalk. Enjoy a cuppa at the Boardwalk café.

From The Honey Place

"It's Un-Bee-Liveable. Come in and see the working display beehive and learn all about how bee's work, and how honey is made. You can see Australian Native bees at work as well. Taste the range for Natural Australian honeys and take some home with you. Have a chat with the Beekeepers or browse through the gift shop for that unique gift for your special someone. Take your photo in front of the Big Beehive."

Urunga Wetlands Walk

Urunga Wetlands walks is a lovely, quiet place with good bird watching and photographic opportunities.

The trail has interesting signs about the Broken Hill Antimony Pty Ltd plant that processed ore from the antimony mine at Wild Cattle Creek

in the early 1970s. Significant environmental damage was done. The trail is accessible – flat with a hard surface and boardwalk. There is parking but no other facilities. This is a short but rewarding walk, combine it with Urunga Boardwalk if you have more time.

From Raleigh Winery & House

"The award-winning Raleigh Winery & House is a must visit Coffs Coast destination, located just 15 minutes South of Coffs Harbour. Come Eat, Stay & Play at Raleigh Winery and House and create unforgettable memories."
