

# Global Drink Wine Day

*with Port Bus*

**Saturday 18<sup>th</sup> February 2023**

## ***Tour Summary:***

The purpose of ***National Drink Wine Day*** is to spread the love and health benefits of wine.

Wine has played an important role in history, religion, and relationships. We embrace the positive benefits of wine such as new friends, reduced risk of heart disease and the enhancement of food and life!

I can't think of a better reason to celebrate – and an even better reason to spread the wine love internationally.
