

# A Day On The Green

*with Port Bus to Bimbadgen, Hunter Valley*

**Saturday 15<sup>th</sup> March 2025**

A Day On The Green are thrilled to announce legendary Swedish pop-rockers ROXETTE are returning to Australia for a national tour in March 2025, nine years since their last Australian tour!

In 2016 ROXETTE did what we believed were their last ever concerts. Now, the duo's frontman, songwriter, and founder Per Gessle picks up the torch and takes this bundle of worldwide hits on the road again. Per and the ROXETTE band will be joined on stage by Swedish singer and megastar Ms Lena Philipsson.

Joining ROXETTE at a day on the green concerts will be two very special guests – rock legend JON STEVENS and hit machine BOOM CRASH OPERA.

Join us for a very special outdoor show at Bimbadgen on Saturday 15 March 2025.

Tickets go on sale on Friday 10 May from Ticketmaster. Once you have booked your ticket jump online and book your transport!
