PORT BUS

Relax, enjoy and leave the driving to us!

A wonderful day out in the country with Port Bus – making memories together!

Spring is in the air, and today we're doing exactly that — springing off to Blooms & Coos for a colourful country day out!

Departing Port Bus at approximately **08:30 (TBC)**, we commence our pickups along the Coast Road through to Kew before making our way to **Blooms & Coos**.

Here we'll enjoy a wonderfully relaxed farm experience, with the chance to **pick your own fresh bunch of flowers**, spend time amongst the blooms and meet some of the friendly resident "coos". We'll also serve **Port Bus morning tea** from the coach while we enjoy the peaceful country surroundings.

Keeping with the garden and farm theme, our next stop is **The Fruit Tree Fella**, where there will be time to browse the range of fruit trees and garden goodies on offer. If something catches your eye, don't worry — we'll make sure there is plenty of room under the coach for any purchases you decide to bring home!

From here we head to the **Kendall Community Op Shop** for a little retail therapy and treasure hunting. You never know what hidden gem might be waiting on the shelves, so take your time, have a browse and perhaps pick up a bargain or two.

By now we'll be ready for a well-earned break, so we continue to the **Royal Hotel Kew** for lunch and a refreshing beverage. Sit back, relax and enjoy some good country hospitality before we reboard the coach for our final visit of the day.

Our last stop is the **Turpentine Tramway display**, where we'll discover a little of the area's timber and transport history before beginning our journey home. It's a lovely way to round out a day filled with flowers, farm life, shopping, country hospitality and local history.
